February 14, 2020

To: School Principal, Student Advisor, Teacher and/or Athletic Director

Subject: Student/Athlete competition, LA Galaxy Cup

This letter is to inform you that your student plays soccer for a club that has been selected to participate in the premier youth soccer event in the United States, the LA Galaxy Cup.

This is our third annual LA Galaxy Cup Tournament held at the Orange County Great Park in Irvine, CA. The tournament will be played from April 4th – April 10th, 2020. Over 150 international and domestic teams combined will be participating, with the ages of players ranging from 10 to 16 years old. With this being our third year, we are hoping to bring in more than 10,000 spectators to the tournament.

The LA Galaxy Cup will provide youth players the opportunity to compete against some of the best soccer players all around the world. The event will be separated into two divisions, Development Academy (DA) Competition and Club Competition. DA Competition will have some of the most renowned clubs from around the world to increase competition and provide a unique playing experience for each participating team. The Club Competition will showcase our alliance soccer clubs against top club competition from around the country, while providing a platform for players to display their talents to college scouts.

We ask for your cooperation to help strive to develop our area's best youth soccer and academic athletes. We would be very grateful if you would allow your student an excused absence starting April 3rd through April 10th. We also ask to provide the student with the assignments in advance of their departure.

If you have any questions regarding our program or event, please feel free to contact me. Thank you for your assistance.

Sincerely,

Wes Meadows
Tournament Staff
